

BIBLIOGRAPHY OF THE INTERNATIONAL TRIBUNAL FOR THE LAW OF THE SEA (1996–)

The bibliography provides information on relevant literature concerning the settlement of disputes regarding the law of the sea with a particular focus on the role and activities of the Tribunal.

The bibliography is updated quarterly. The bibliography includes two parts. Part I relates to publications of a general nature or which do not comment on a specific case dealt with by the Tribunal. Part II relates to publications commenting on specific cases dealt with by the Tribunal.

Given the selective scope of the bibliography, it does not contain all important publications on the Law of the Sea. For more extensive coverage, it may be of interest to consult the following:

Law of the Sea: a select bibliography, compiled annually since 1988 by the United Nations' Division for Ocean Affairs and the Law of the Sea, Office of Legal Affairs.

BIBLIOGRAPHIE DU TRIBUNAL INTERNATIONAL DU DROIT DE LA MER (depuis 1996)

La bibliographie donne des indications sur les ouvrages importants ayant trait au règlement des différends relatifs au droit de la mer et, en particulier, au rôle et aux activités du Tribunal. Elle est mise à jour tous les trois mois.

La bibliographie est divisée en deux parties : La première porte sur les publications d'ordre général ou celles qui ne concernent aucune affaire particulière traitée par le Tribunal, la deuxième sur les publications consacrées à des affaires spécifiques dont le Tribunal a connu.

De par sa nature, cette bibliographie ne contient pas toutes les publications importantes sur le droit de la mer. Pour une bibliographie plus complète, consulter les sources suivantes:
